*From now on, at the end of your month with the phone please bring it to the district meeting at the beginning of the following month to be handed over to the next home group. If you know it is your home groups month, please come to the district meeting so you can get the phone. That way he does not have to chase the phone down.

* Please remember it is 24hr. Phone line and please do your very best to answer. People call this line sometimes just to ask a question, however sometimes people call because they are in desperation, and we want to always be there when someone reaches out. It does have a call forwarding to her phone in case you are unable. But remember this is a commitment and responsibility that your home group has volunteered for.

**** Please note that whoever takes the phone for the month, it is your responsibility to make sure the next person/group that receives the phone gets all the contents that come with it such as the charger and the briefcase. This is important and not fair for others volunteering to have to replace the chargers to be able to answer the phone when someone in need is calling.**

Old Business:

- Emailed about taking meetings to the V.A. – no new info.
- Dan got in touch with the Summit Academy they are now taking meetings in on Wed. 6-7 must be there at 5:45, men and women can go in they just ask that women dress appropriately. Only two people, no registration required, Dan will make the list. The first meetings turned out good both with facility and with the youth.
- We have heard that district 62 is holding meetings in the prison. But no one knows who. I personally spoke with a woman from district 62 who was taking meetings into the prison with us, she said she has not been taking them in and knows nothing about this. However, they just got a new H. and I. coordinator, so she is going to have her call me. I also reached out to Kelly Long who is the person that used to be our contact for the prison. She usually gets back to me fast so I will update when and if I hear from her or district 62. – Tracy did get in contact with them.

New Business:

- Motion that if G.S.R.'s don't show up to 3 consecutive district meetings that home group loses their voting rights. Questions brought up regarding this motion- if they lose the right to vote how long would that last? Take to your home group this is being tabled till next district meeting in Aug.
- Dan got in touch with the Summit Academy they are now taking meetings in on Wed. 6-7 must be there at 5:45, men and women can go in they just ask that women dress appropriately. Only two people, no registration required, Dan will make the list. The first meetings turned out good both with facility and with the youth. Really need some support

- I know this is something we must repeat more than you would think we would need too. However, our district really needs people in recovery to step up and help with the facilities. This whole program is based on helping another struggling alcoholic. We can't keep it if we don't give it away. Our district has about 6 facilities we are responsible for going into and carrying the message of recovery and hope. And we really struggle finding people to go into these places, it seems to be the same people that carry all the weight. Remember what it was like in early recovery and how much it meant to you to have A.A. come give a lead, discussion meeting or a ride to a meeting. Most of us would have never found A.A. if it were not for these people taking time out of their busy lives to give back what was so freely given to them. We know everyone has family, work, kids, and other responsibilities; life is busy. That being said, I urge you to remember as alcoholics our recovery must come first and that the best way to ensure another day sober is by helping another alcoholic.
