*From now on, at the end of your month with the phone please bring it to the district meeting to be handed over to the next home group. If you know it is your home group's month, please come to the district meeting so you can get the phone. That way he does not have to chase people down.

*Please remember it is a 24hr phone line and please do your very best to answer. People call this line sometimes just to ask a question, however sometimes people call because they are in desperation. We want to always be there when someone reaches out. It does have a call forwarding to coordinator's phone in case you are unable to answer. Remember, this is a commitment and responsibility that your home group has volunteered for.

****Please note that whoever takes the phone for the month, it is your responsibility to make sure the next person/group that receives the phone gets all the contents that come with it such as the charger and the briefcase. This is important and not fair for others volunteering to have to replace the chargers to be able to answer the phone when someone in need is calling.**

***Be aware if your group has the phone, it is not staying charged for very long so make sure you do your due diligence to make sure it is charged while in your possession.**
